To whom it may concern

Please be advised that Shannon Diversified, Inc. has been Albertson's Hood & Exhaust maintenance vendor for a number of years. Their experience and knowledge makes them our preferred vendor in this specialty area. Their performance and premium service are superior to other vendors. Shannon Diversified, Inc. has provided us with all the confidence that our Hood & the entire Exhaust Systems are in safe condition and meet code requirements.

They also provide additional services, such as general kitchen and appliance cleaning in all our Deli, Bakery & Meat Departments. As a true professional vendor, Shannon Diversified, Inc. has also responded immediately on our emergency service calls on environmental issues after being cited by the Health Department or other agencies.

Shannon Diversified, Inc. has always been a very professional and reliable company to work with and I have no hesitation recommending them to any and all organizations who are in need of their services.

Please feel free to contact my office should you wish to discuss them further.
